

## *The Riverwalk Rambler*

**Volume 18, Issue 10**

**October 2018**

Welcome back Snowbirds. Those of us who live here year around have enjoyed our nice quiet summer, but most of us are always glad to see our friends return. This year we have a lot of new people who have moved in. Please let's make them feel welcome and a part of our community. Let them know why Riverwalk is the best park to live in. It ain't just the rabbits.

If you are new here, please see the social calendar of events in this newsletter, or check the website Events Calendar. If you are interested in helping, see a member of the social club. Members and their contact information are listed on the second page of your Newsletter every month. You can be sure if you want to help you will be welcome.

I would like to thank our Office Manager, Millie, for her hard work this summer in keeping the park running smoothly while most of the people were gone. Also Jerry and Ellen for keeping the park looking good even in the really, really, hot weather.

Looking forward to a new season and in the words of Bobby McFerrin "Don't Worry Be Happy!"

Chuck Brooks

A Riverwalk Thank You! We all would like to thank Becky Doughty and her crew who made the summer a “better place” by providing us with an Ice Cream Social every month. Everyone of those evenings was unique and sooooo delicious...especially the final Banana Splits! Thank you Becky, your hard work is very much appreciated!!

## Aquasize

Aquasize--a fun exercise program that stretches and tones the body. We meet Monday, Tuesday and Friday mornings, 9:30 at the pool beginning in November. The only equipment needed is a kickboard and 2 matching plastic bottles with handles and tops. Come join us.

Sharon Mooney

## Crafts

The first craft meeting will be Wednesday, October 24, 1 pm at the clubhouse. Our craft is a pine cone turkey. You will need 3 large pine cones, (the kind along the nature walk), Elmer's glue and your hot glue gun. Before coming to class put the pine cones on a piece of aluminum foil in the over 200 degrees for 10 minutes. When cool take the petals off of 2 pine cones, leave the best one whole. The petals will form the tail of the turkey.

Hi, I'm Matti (a.k.a. Matilda Lou). This is what I love doing most of all...resting in my bed that I just happen to share with my parents, Max & Nancy Barnes.

I'm an 8 year old Silky Terrier and enjoy riding around in MY golf cart visiting my friends, both human and doggy-type. If you see me out and about, please stop and say hi. I don't even need any treats.

## NEIGHBOR HELPING NEIGHBOR: UPDATE

Our Mission: To Provide services to our community members who have unmet needs and require some supports in their abilities to maintain their homes, and their personal well being; to help provide those supports while demonstrating commitment and love for our community by neighbors helping neighbors.

We would like to update our community on Neighbors Helping Neighbors. We are still ‘feeling our way’ but we continue to clarify and develop our procedures to hopefully benefit everyone.

First we want to thank everyone who has contributed with funds to NHN..we will share with you how some of those funds have been utilized. A special committee member has been able to cook, package, and freeze amazing meals for those who may need a home cooked meal after a hospitalization, injury, or family loss. Neighbor Helping Neighbor has provided funds for the food, (excellent .. from everyone who has been a recipient of a meal or two!). We provided funds for the containers the food is stored in...and most folks have returned the containers when done! (These are Dollar Store purchases.) To date Neighbor Helping Neighbor has provided 28 main meals, including soup and dessert! These are delivered to the door. Also cookies are taken to those in rehab..if medically ok.

Second we want thank anyone who has sat with, visited, lent a piece of medical equipment, or helped out in any way to a neighbor...these acts of kindness are too numerous to count!! A core value of our Village.

The committee had a meeting in July and discussed the issue of our role when there is a death of a Riverwalk resident. We came up with the following...Neighbor Helping Neighbor will contribute up to \$125 to a family who wishes to have a Celebration of Life service at the Clubhouse. Our thinking was that this money would enhance a Community Celebration remembering the Village resident; or if the family did not have the means, then the \$125 would buy coffee/cake/dessert for the Community Celebration. The committee confined the use of these funds to residents whose passing occurs locally and when the Celebration of Life is at our clubhouse. We will try and provide support to families, if they ask, by guiding them to vendors in the area if they want a lunch served etc. We want to be supportive to family or friends and be a resource, yet not take on the responsibility of being ‘in charge’ of the Celebration of Life.

We discussed the need for better communication so that when a resident wants and needs assistance of any kind the group can quickly help provide the support that is needed. To that end we have asked a resident who is full time, to be the Captain of our “street captains” (ie. those who are our eyes and ears.) Since some of our street “eyes and ears” are snow birds, we realized that we needed a full time resident to keep us apprised of who may need some support..whatever that looks like for the individual or family.

### Finances

Currently our finances are healthy..we have \$600.00 in our account at the First/Third bank. This is truly a “snapshot” in time (9/3/2018)...please realize we need to replenish ingredients for meals we provide; keep some aside for the eventual Celebrations of Life that we can’t anticipate and keep funds for those emergencies that inevitably happen. We realize that these funds can be spent quickly or slowly depending on what happens in life...so if the funds do go quickly we may have to raise funds. At this point our residents have been so generous we do not see the need, but life does change on a dime!

We are constantly aware of the need for privacy, respect, and dignity when an individual is experiencing difficult times. We try to keep this at the forefront of any and all actions we take. This has been a lengthy report, but we do want the Village residents to be aware of what we do and why.... and feedback/comments are always welcome. Thank you for your continued generosity and support!\_

## Riverwalk Bowlers

Riverwalk Bowling League will be starting the 2018/19 season on Wednesday, Nov 7th. Pre-bowling begins at 8:45 A.M. and every Wednesday thereafter at Port Charlotte Treasure Lane's bowling alley. Teams will be put together this month in order to allow the bowling alley significant time to enter into the computer.

The League is always looking for anyone that can roll a bowling ball down the lane (scores are not relevant). In addition, we are looking for substitute bowlers (potentially to be full time bowlers). This is a fun league and it gives you a great opportunity to meet and get to know your neighbors.

**MARK YOUR CALENDARS.** A meeting will be held in the clubhouse on Wednesday, Oct 24th at 10:00 A.M. to discuss the following: team makeup, rules, banquet committee, etc.

**Note:** New or active bowlers as to their status need to contact the below officers as soon as possible. For additional information contact:

Matt Visnansky (President) (941) 888-5432, [mattvee@comcast.net](mailto:mattvee@comcast.net)
